

Terms and conditions of use

This website is exclusively governed by these terms and conditions of use and, for all that is not specified here under, all applicable laws in force. Access to the Centro di competenza per l'Innovazione Sistemica website and any use of the information and materials contained on it requires the acknowledgment of the following terms and conditions and full acceptance of such.

The Fondazione Politecnico di Milano, henceforth referred to as "Website Owner", manages the above-mentioned site. Each website user must use caution and prudence when accessing and using the site. Each user must thoroughly read the following terms and conditions.

Limitations/Exclusions of Liability

The site diffuses information at the Website Owner's discretion. The Website Owner agrees to actively and attentively ensure that the information contained in this website is accurate and complete.

The representation of such information does not imply nor offer any guarantees of any kind to the users of this site. The information, images and illustrations are not binding and can thus change without notice.

As the Website Owner, the Fondazione Politecnico di Milano is not liable for, nor does it guarantee, the accuracy or completeness of the information that is available on this site, or their updates. The Website Owner will not assume any responsibility nor will he guarantee the accuracy or completeness of the information that is available on this site through direct or indirect hyperlinks to other sites. The Website Owner does not guarantee the update, correctness and truthfulness of the information contained on such sites, nor will he assume any responsibility for any other links that are contained in such.

The Website Owner does not guarantee that the information provided via such direct or indirect links does not infringe the rights of third parties, including - although not limited to - intellectual property rights. The Website Owner is not responsible for any errors or omissions that may be present on a linked site that was made by the Owner or Supplier of the content of such site. The presence of a link to a site does not imply, nor constitute the endorsement, sponsorship, affiliation or recommendation of such a supplier in any way.

For legal reasons, we cannot nor do we try to control the information provided by our business partners or users, which is available on this site. This site is only a showcase. The Website Owner cannot be held responsible for the content contained in any page of other sites that can be accessed through a hyperlink. The Website Owner is not in control of the quality, safety and legality of the information provided by third parties. Each person, other than the Website Owner, who provides information on or through this site is responsible for any content he presents or has presented on the website.

Since the Website Owner has no specific knowledge concerning such pages, nor has he examined their contents, the Website Owner requires you to use caution and prudence at all

times when using this site. The Website Owner reserves the right to change or modify the information that is available on this site at any time and without prior notice.

The Website Owner is not responsible for any direct or indirect damage, including loss of profit, consequential damage or damages of any kind, that arises from using the information that is available on this site.

In the event of problems or difficulties in consulting other sites that can be accessed through a link, we invite you to contact the owner of these sites.

Brand Protection

The brands, or any other distinctive signs, that are displayed or used in this website are exclusively owned by Centro di competenza per l'Innovazione Sistemica and Fondazione Politecnico di Milano. Use of such brands or signs without a prior written authorisation is prohibited.

Copyright

The content of this site, including all of the information, data, communications, editorial content, photos, videos, graphics, designs and any materials or services in general that are contained therein are owned by Centro di competenza per l'Innovazione Sistemica and Fondazione Politecnico di Milano and protected by law.

The Website Owner authorises you to consult, copy, download and print the documents that are available on this site for personal use only. However, these documents cannot be modified or disclosed to third parties.

All of the content is protected under the legislation on copyrights. Recording, memorizing, making multiple copies, reproducing or changing, even partially, the content, in any way or by any means (electronic, mechanical, data transmission, computer) is prohibited without prior and specific written authorisation from the Website Owner. If written authorisation for reproduction is granted, you are obliged to cite the source.

The information concerning copyrights and brands, or any other information concerning the ownership of the documents of Centro di competenza per l'Innovazione Sistemica and Fondazione Politecnico di Milano that is available on this site, cannot be removed.

This authorisation is not extended to documents and/or materials owned by the other content providers that may appear on this website through links. The reproduction, copying or distribution of the materials or designs on this website for commercial purposes is strictly prohibited without written authorisation from Centro di competenza per l'Innovazione Sistemica and Fondazione Politecnico di Milano.
